

Pokryjete nebo ne?

V těchto rozdáních je závazek vždy 3NT. N vynáší ze stolu kartu označenou podtržením. Označte, co dáte z listu E. Uvažujte pouze o dané barvě bez kontextu celého rozdání. Předpokládejte, že partner má v dané barvě alespoň dvě karty a že nepotřebujete rychle získat zdvih, abyste např. podnesli jinou barvu.
